

West Friendship: Presentation for Uzbekistan Ministry of Transport

On August 3, 2022, CVED and the Maryland State Highway Administration Motor Carrier Division (MCD) hosted a delegation of 6 people from the Republic of Uzbekistan Ministry of Transport at the West Friendship Weigh and Inspection Facility to provide the delegation with information regarding the Maryland commercial vehicle regulatory operations, so they could take back ideas to their country for improvements. MD State Police and MD SHA provided the delegation with information on how the facility operations worked to include: the hierarchy of personnel, weigh-in-motion technology, fixed and portable weighing operations, Drivewyze, and electronic logging devices.
